STATEWIDE CURRENT SITUATION:

Pursuant to his powers as Governor of the State of Texas, Greg Abbott issued Proclamations on May 11, May 15, May 25, May 26, and May 29, 2015, certifying that the severe weather, tornado and flooding incident that began on Monday May 4, 2015, has caused a disaster in many Texas counties. Therefore, the Governor of the State of Texas, has amended the aforementioned proclamations and declares a disaster in Angelina, Archer, Atascosa, Austin, Bastrop, Baylor, Blanco, Bosque, Bowie, Brazoria, Brazos, Burleson, Caldwell, Calhoun, Cass, Chambers, Cherokee, Clay, Collin, Comal, Comanche, Cooke, Dallas, Denton, Dewitt, Eastland, Edwards, Ellis, Erath, Fannin, Fayette, Fort Bend, Gaines, Garza, Gillespie, Grayson, Grimes, Guadalupe, Harris, Harrison, Hays, Henderson, Hidalgo, Hill, Hood, Houston, Jack, Jasper, Johnson, Kaufman, Kendall, Lamar, Lee, Leon, Liberty, Lubbock, Lynn, Madison, Milam, Montague, Nacogdoches, Navarro, Newton, Nueces, Palo Pinto, Parker, Polk, Real, Red River, Refugio, Robertson, Rusk, Sabine, San Augustine, San Jacinto, Shelby, Smith, Somervell, Starr, Tarrant, Travis, Trinity, Tyler, Uvalde, Van Zandt, Victoria, Walker, Waller, Wharton, Wichita, Williamson, Wilson, Wise and Zavala Counties, authorizing mobilization of state resources to assist impacted communities. This brings the total number counties so far to **94**.

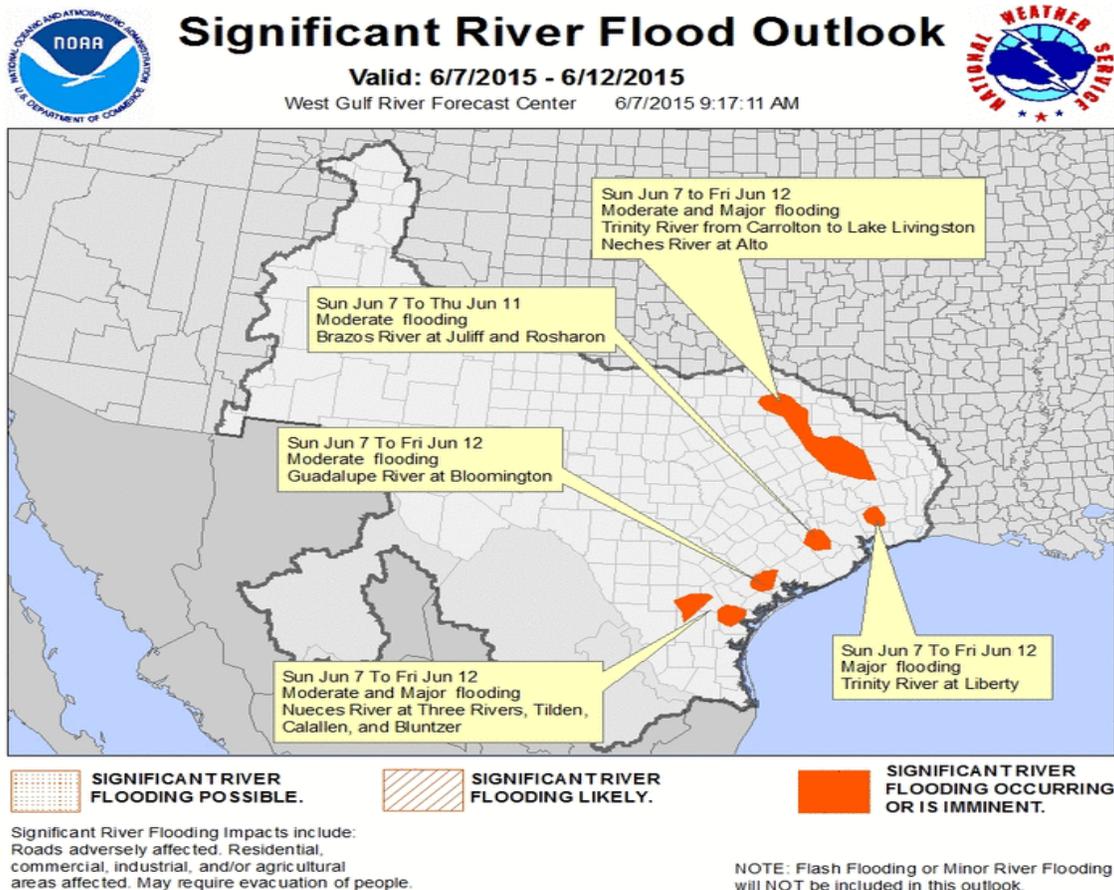

The Governor requested and the President approved a Major Disaster Declaration (DR-4223) on May 29, 2015. This action ordered federal aid to supplement State, tribal and local recovery efforts in the affected areas, beginning on May 4, 2015. The President's actions makes federal funding available to affected individuals in Harris, Hays, and Van Zandt counties. Federal funding also is available to State, tribal, and eligible local governments and certain private nonprofit organizations on a cost-sharing basis for emergency work and the repair or

replacement of facilities damaged by the severe storms, tornadoes, straight-line winds and flooding in Cooke, Gaines, Grimes, Harris, Hays, Navarro, and Van Zandt counties.

Amendment No. 1 to DR-4223 was issued on June 5, 2015. Amendment No. 1 includes the following areas among those areas determined to have been adversely affected by the event declared a major disaster by the President on May 29, 2015: Bastrop, Blanco, Caldwell, Denton, Eastland, Fort Bend, Guadalupe, Henderson, Hidalgo, Johnson, Milam, Montague, Rusk, Smith, Travis, Wichita, Williamson, and Wise Counties for Individual Assistance. Gaines and Navarro Counties for Individual Assistance (already designated for Public Assistance).

Individuals who sustained damage within the State of Texas during the May storms, may call **1-800-621-3362** to register with FEMA.

The ridge of high pressure will persist over Texas for the next few days causing warmer and drier conditions across most of the area through mid-week. Only sea breeze showers are expected along the Texas coast. Even though significant rainfall is not forecast for several days, moderate and major flooding will continue for the next couple of weeks.

Operational Priorities:

1. Protect life and property.
2. Support rapid and effective response.
3. Collect and disseminate accurate incident information to improve decision-making.

4. Accurately track incident costs associated with assigned resources for cost recovery.
5. Maintain communication with impacted local jurisdictions.

Texas Commission on Environmental Quality (TCEQ): TCEQ Regional Office Staff continue to reach out to the numerous counties that have been impacted and provide assistance with debris management guidance. TCEQ continues to monitor several dams, drinking and wastewater facilities across the state. There are 21 “boil water” notices still in effect. Debris management guidance continues in four counties. TCEQ Regional offices have been working with several landfills requesting extensions to the alternate schedules.

TCEQ Public Drinking Water and Wastewater Updates: Boil Water Notices are in effect for the following counties: Bastrop, Caldwell, Cherokee, Hays, Hood, Liberty, Limestone, Montgomery, Parker, Rusk, Travis, Walker. Sanitary Sewer Overflows (SSO) have been reported around the state due to flooding. TCEQ Region Offices continue to monitor the situation.

TCEQ Dam Safety Program: Continues to monitor several dams across the State that have been impacted by the flooding conditions. Updates will be provided, as needed.

Texas Department of Transportation (TxDOT): 37 roads remain closed across the State due to flooding or damage. See DriveTexas.org for updates. Debris management is ongoing. TxDOT has begun major infrastructure repairs.

Texas Department of State Health Services (DSHS): Monitoring remotely. Continue to respond to requests from local governments for vaccines.

Texas Department of Insurance (TDI): TDI has distributed information to media outlets and social media advising that consumers can get help with filing their insurance claims by calling the Consumer Help Line **800-252-3439**. TDI is preparing to deploy staff to disaster recovery centers.

Texas Department of Housing and Community Affairs (TDHCA): TDHCA continues to coordinate resource delivery through its local Community Services Block Grant (“CSBG”) program administrators, typically CAAs, which serve impacted counties to provide gift cards for gas, food, and essentials, and possible hotel vouchers. The local CSBG program administrator is working closely with the Red Cross and the VRC assisting with rents.

Federal Emergency Management Agency (FEMA): FEMA has received 7,000 Individual Assistance (IA) applications. IA funds have been approved in the amount of \$7M. Scheduled inspections are 63 percent complete. FEMA continues to encourage residents to register, especially those in currently undeclared counties, to provide insight into possible locations for

future damage assessments. Damage Assessments have been conducted in Blanco, Smith, and Travis Counties. FEMA Mobile Registration Intake Center (MRIC) opened at 12:00 PM Wednesday, June 3rd in Wimberley.

Texas Voluntary Organizations Active in Disaster (VOAD): Texas VOADs have been active in several areas of the State, and continue to be a vital part of the humanitarian efforts in responding to the needs of impacted jurisdictions. They continue to provide feeding, hydration, sheltering, mud-out, damage assessment, chaplaincy, daycare, and other important services. They also provide hydration and feeding services to responders and volunteers who are responding to impacted areas.

The Texas VOAD Situation Report can be found on the TDEM webpage at: <http://www.dps.texas.gov/dem/sitrepindex.htm>

Additional information related to Texas VOADs can be found at: <https://txvoad.communityos.org/cms/home>

FINAL COMMENTS: The State Operations Center (SOC) is at Level IV (Normal Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

- Level I (Emergency Conditions)
- Level II (Escalated Response Conditions)
- Level III (Increased Readiness Conditions)
- Level IV (Normal Conditions)

This Situation Report can be found on the TDEM webpage at www.txdps.state.tx.us/dem.
